Kycon Offers USB 2.0 Type A Low Profile Vertical Mount Connector

Morgan Hill, CA – Kycon has expanded their USB series by adding a low profile vertical mount USB 2.0 Type A receptacle to their product line. With a height of 10mm, the KUSBVLPX series is ideal when there are low clearances between the PCB and I/O mating plane. It is an ideal connector for designers of product that have space concerns.

The receptacles are available with either black or white insulators and with standard gold flash plated contacts. 30u" gold plated contacts are available but minimums may apply.

Key Specifications:

- 10mm Height
- Vertical Mount
- Through Hole Contacts
- UL 94 V-0 rated thermoplastic
